SIC

Memorandum

TO : Director of Training

DATE: 30 March 1970

FROM : Chief, School of International Communism

SUBJECT: Weekly Activities Report No. 9
23 - 27 March 1970

1. With reference to the Soviet film, "True Sons of the People", mentioned at Thursday's staff meeting - SIC has been using it in the USSR Survey since its acquisition. In each instance a staff member of OSR has provided expert commentary concerning the intelligence provided in the film. This combination of film and commentary has been well received.

4 Combined with para 14 of 925-

2. SIC has had two reactions to date from the Training Officer conference of 18 March. We have been asked by [REDACTED] Africa Division, to work up a seminar for officers of that division, and I have been asked by Logistics to provide a discussion of Communist developments at one of Mr. Blake's staff meetings.

3. [REDACTED] had a rather interesting time with representatives of CI Staff in the matter of clearing some of the materials which he wanted to use in [REDACTED]. The documents in question were Soviet publications - used for propaganda purposes - and there was some concern in CI Staff (legitimately so) that the message might be somewhat heady for untutored [REDACTED]. [REDACTED] gained clearance by assuring CI Staff that these documents would be used with circumspection and in proper analytical context.
